Permission to enter

During the summer, the college is required to check the smoke detectors in the dorm rooms. Most of the time, they don't even cross the doorway, but they do look in your room.

\$50 deposit is due upon reserving a dorm room.

A check or money order should be made out to OSF. The deposit will be refunded to you at the end of the season after the room has been checked for cleanliness and damage. The housing allowance in your contract does not cover this deposit! It is your sole responsibility. Your deposit will be mailed to you after the summer. Please do not count on this money to assist you in your travel when departing Durant.
